Adobe InDesign Classroom in a Book (2021 Release)

Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe InDesign choose Adobe InDesign Classroom in a Book (2020 release) from Adobe Press. The project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of typographic, color, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications—from a simple postcard to an interactive Adobe PDF with form fields. The real-world tasks in this comprehensive book are presented in easy-to-follow lessons and are designed to train beginning Adobe InDesign users in the program—from fundamental features to powerful layout and output skills. The online companion files include all the necessary assets for readers to complete the projects featured in each lesson. All buyers of the book get full access to the Web Edition: A Web-based version of the complete ebook enhanced with video and multiple-choice quizzes.

Adobe Illustrator CC Classroom in a Book (2017 release)

Those creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Premiere Pro CS6 choose Adobe Premiere Pro CS6 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 19 project-based lessons in this book show readers step-by-step the key techniques for working in Premiere Pro CS6. Readers learn to take a project from beginning to end where they'll get the basics on things like organizing media, using audio, creating transitions, producing titles, and adding effects. Once they have the basics down, they'll learn how to take their projects further by sweetening and mixing sound, compositing the footage, adjusting color, using multicamera editing techniques, authoring DVDs, and much more. This completely revised CS6 edition covers new features, including the Warp Stabilizer effect for stabilizing uneven, shaky footage. Powerful new trimming techniques are explored in detail and an entire chapter covers the new expanded multicamera editing features. The new interface in Adobe Premiere Pro 6 offers many new capabilities to the editor who needs quick results and this book covers the workflows required to get the job done. Best of all, the companion DVD includes lesson files so readers can

work step-by-step along with the book. “The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students.” —Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. Note from the publisher: If you experience any issues accessing the files on the DVD please contact ask@peachpit.com to receive a link to the online file downloads

Adobe Indesign CC

Adobe Photoshop CC Classroom in a Book (2018 release)

This critically-acclaimed interactive training program from Adobe Press offers exceptional quality high-definition video to teach the fundamentals of Adobe Indesign CC. Including more than 10 hours of video tutorials, the course comes complete with lesson files, assessment quizzes, and review materials. Experienced instructor Chad Chelius presents a comprehensive introduction to InDesign, including best practices as well as fundamental layout and document styling concepts. Topics covered include working with text, graphics, and objects. Chad explores InDesign in a real-world layout workflow that includes assembling books, creating alternate layouts, preflighting files, creating final output as PDFs or ePubs, and much more. The video is wrapped in a unique interface that allows you to jump to any topic and also bookmark individual sections for later review. The unique Watch and Work mode shrinks the video into a small window to allow you to work alongside in Adobe InDesign as you view the video. Project files used in the lessons are included on the disc so you can practice what you ve learned. At the end of every lesson, you can test your knowledge by taking interactive quizzes."

InDesign CC

Adobe Indesign CC Learn by Video (2015 Release)

Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Photoshop choose Adobe Photoshop CC Classroom in a Book (2018 release) from Adobe Press. The 15 project-based lessons show key step-by-step techniques for working in Photoshop, including how to correct, enhance, and distort digital images, create image composites, and prepare images for print and the web. In addition to learning the essential elements of the Photoshop interface, this revised edition for the 2018 release covers features like search capabilities, Content-Aware Crop, Select and Mask, Face-Aware Liquify, designing with multiple artboards, creating and organizing enhanced brush presets, and much more! The online companion files include all the necessary assets for readers to complete the projects featured in each chapter as well as ebook updates when Adobe releases relevant new features for Creative Cloud customers. All buyers of the book get full access to the Web Edition: a Web-based version of the complete ebook enhanced with video and multiple-choice quizzes.

Adobe InDesign 2.0. Classroom in a Book. Englische Ausgabe.

Adobe InDesign is the clear software of choice for designers in desktop publishing and typesetting. With it, designers create professional, eye-catching posters, flyers, brochures, magazines, newspapers, presentations, books, and ebooks. Because it has so much power and depth, sometimes the things you need are...well...kinda hidden or not really obvious. There will be a lot of times when you need to get something done in InDesign, but you have no idea where Adobe hid that feature, or what the "secret handshake" is to do that thing you need now so you can get back to working. That's why this book was created: to get you to the technique, the shortcut, or exactly the right setting, right now. Here's how it works: When you need to know how to do a particular thing, you turn to the chapter where it would be found, find the thing you need to do (it's easy—each page covers just one single topic), and designer and author Dave Clayton tells you exactly how to do it just like he was sitting there beside you, using the same casual style as if he were telling a friend. That way, you get back to working in InDesign fast.

Adobe Illustrator CS6 Digital Classroom

The book you're reading about right now was created with Adobe InDesign CC. And that's the case no matter which reading format you prefer--whether it's the physical book made of plant fiber and ink, or the digital version made of electrons in an e-reader. In fact, most of the books, magazines, posters, and brochures you see were likely made with InDesign as well. It's all around you. Adobe InDesign CC: A Complete Course and Compendium of Features is your guide to building publications great or small in this ubiquitous page layout application. First, with a complete Course that includes a set of projects and lessons derived from the curriculum of award-winning and Adobe Certified Instructor Steve Laskevitch, you will learn the procedures needed to use InDesign professionally. Dozens of lessons are included that can be applied to any document you have in mind: engineering proposals, marketing collateral, spec sheets, magazines, newsletters, books, and more. Through these step-by-step lessons, you'll be exposed to all of InDesign's features in practical contexts and its best practices for publishing workflows. To complete the Course, we'll supply lesson documents and their assets to download. These can even serve as starting points for your own projects. Then, for greater depth of knowledge and subsequent reference, you'll use the Compendium to uncover more of the "how" and "why" of InDesign and publishing tech in general. With each topic easy to access, you can find and explore all of InDesign's key features and concepts in depth. With cross references between the Course and Compendium, the two parts of the book complement each other perfectly. Best of all, when the lessons in the Course are done, the Compendium will continue to serve for months and years to come. Learn step by step how to: - Create documents from postcards and posters to large books - Take control of typography and more with styles - Combine images with text for compelling layouts - Use color with predictable results - Prepare documents for both print and electronic output - And much more! "I've known Steve for over 20 years, and have always admired his empathy and passion for generously sharing his knowledge with others. He leverages his deep understanding of InDesign and takes the time to share what he hears from users to advocate on their behalf directly to the InDesign team to make the product better. This book will definitely help you become a more efficient InDesign user." -- Michael Ninness Formerly InDesign Product Manager Now Adobe's Senior Director "Steve's long relationship with Adobe InDesign and the people who actually built it make him the ideal person to guide any designer through the rich toolset that is Adobe InDesign. While his smouldering good looks and James Bond-like sophistication will not be of any value to the reader, his in-depth knowledge, years of delivering training, patience and good humour almost certainly will." -- Chris Kitchener Ex Group Product Manager for Adobe InDesign and Adobe Illustrator

Adobe Indesign CC Classroom in a Book (2014 Release)

The most comprehensive way to master Adobe Illustrator CS3.

Adobe After Effects CC Classroom in a Book (2014 release)

Adobe Experience Manager (formerly CQ5) is an industry leading web content management system aimed at giving digital marketers the ability to create, manage, and deliver personalized online experiences. Adobe Experience Manager: Classroom in a Book is the definitive guide for marketers who want to understand and learn to use the platform. It explains the business value of the features and the overall philosophy of the product and is a must-read before sitting down to work with an implementation team. Marketers will understand why AEM is constructed as it is so they can alter business processes and participate in successful implementation. They'll get insight into how to accomplish the fundamental tasks to more effectively create and manage content. They'll also learn about common mistakes and how to avoid them. After reading this book, marketers will understand:

- The basics of content management in Adobe Experience Manager
- How to integrate Adobe Experience Manager with other Adobe Marketing Cloud products
- How to manage dynamic content that is targeted to specific audiences
- The fundamental concepts that will help to create a smooth implementation

Getting Started Ch 1: The Basics Ch 2: Evaluating AEM Ch 3: Managing Content Ch 4: Digital Asset Management Ch 5: Metadata and Tagging Ch 6 Multilingual Content Ch 7: Workflows Ch 8: Social Communities Ch 9: E-Commerce Ch 10: Mobile for Marketers Ch 11:

Architecture Basics Ch 12: Administration Basics Ch 13: Web Analytics Ch 14: Marketing Campaign Management Ch 15: Dynamic Content Ch 16: Integrating AEM Ch 17: Technical Basics Ch 18: Defining Requirements Ch 19: User Experience Design Ch 20: The Implementation Process

Learning is reinforced with video tutorials and lesson files on a companion DVD that was developed by a team of expert instructors and Illustrator experts. Each video tutorial demonstrates and explains the concepts and features covered in the lesson. This training package shows how to create and produ.

Adobe Indesign CC Classroom in a Book (2018 Release)

The 35th anniversary edition of the classic how-to book that has helped millions of artists learn to draw. When it was originally published in 1970, *How to Draw What You See* zoomed to the top of Watson-Guption's best-seller list—and it has remained there ever since. "I believe that you must be able to draw things as you see them—realistically," wrote Rudy de Reyna in his introduction. Today, generations of artists have learned to draw what they see, to truly capture the world around them, using de Reyna's methods. *How to Draw What You See* shows artists how to recognize the basic shape of an object—cube, cylinder, cone, or sphere—and use that shape to draw the object, no matter how much detail it contains.

Indesign CC Creative Classroom

The fastest, easiest, most comprehensive way to learn Adobe InDesign CC (2014 release) Classroom in a Book®, the best-selling series of hands-on software training workbooks, offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. Adobe InDesign CC Classroom in a Book contains 16 lessons that cover the basics, providing countless tips and techniques to help you become more productive with the program. You can follow the book from start to finish or choose only those lessons that interest you. In addition to learning the key elements of the InDesign interface, this completely revised CC (2014 release) edition covers new features, including rows and columns in tables, dual PDF and IDML file packaging, fixed and reflow EPUBs, and major improvements in the way text and graphics are handled during EPUB export. Purchasing this book gives you access to the downloadable lesson files you need to work through the projects in the book, and to electronic book updates covering new features that Adobe releases for Creative Cloud customers. For access, goto www.peachpit.com/redeem and redeem the unique code provided inside this book. "The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." Barbara Binder, Adobe Certified Instructor Rocky Mountain Training

Adobe Illustrator CS6
